- d) Primary setbacks do not apply to eaves.
- e) Where a portico, porch, veranda or similar is provided, they may be setback a minimum of 2.0m from the primary street.

**4. Fencing**

- a) Uniform estate fencing provided on private lots shall not be modified without written approval from the City of Kwinana and shall be maintained as visually permeable by landowners where applicable.

**5. Lot Boundary Setback**

- a) For all lots, a nil side setback is permissible to one side boundary behind the primary street setback line to a maximum of 4.0m from the rear boundary, unless otherwise designated on the LDP or where this boundary is to a secondary street.
- b) For lots with a frontage of 11 metres or less, or where otherwise designated on this LDP, nil setbacks are permitted to both side boundaries.
- c) Where a nil side setback is permissible but not proposed, side setbacks shall conform to the requirements of the R-codes

**6. Open Space and Outdoor Living Area**

- Open space may be reduced to 35% of the site area subject to the provision of an outdoor living area (OLA) with a minimum dimension of 4m and located behind the front setback area, with the following sizes and requirements:
- a) 24 sqm for R30 lots, with a minimum of 16sqm of the OLA to be uncovered.
  - b) 16sqm for R60 lots, with a minimum of 11sqm of the OLA to be uncovered.

**7. Garages**

- a) For all lots where a footpath adjoins the boundary, garage frontages must be setback a minimum of 4.5m from the boundary.

  - iv. For any single storey dwelling on a lot with a frontage less than 10.0 metres in width and where vehicle access is gained solely from the primary street, only a single width garage (including tandem) is permitted;
  - v. Double garages are permitted on lots less than 10m wide where dwellings are two storeys and where major openings to habitable rooms are provided on the primary street frontage;
  - vi. For all lots where a footpath adjoins the boundary, the garage must be setback a minimum 4.5m from that boundary;
  - vii. Designated garage locations apply to lots identified on this Local Development Plan, referencing the side of the lot to which the garage must be located but do not prescribe boundary walls; and
